SPANGEBOR MUSICAL

The stakes are higher than ever in this dynamic stage musical, as SpongeBob and all of Bikini Bottom face the total annihilation of their undersea world. Chaos erupts. Lives hang in the balance. And just when all hope seems lost, a most unexpected hero rises up and takes center stage. The power of optimism really can save the world!

The SpongeBob Musical is based on the beloved animated series created by Stephen Hillenburg and features a book by Kyle Jarrow, with original songs by Yolanda Adams, Steven Tyler and Joe Perry of Aerosmith, Sara Bareilles, Jonathan Coulton, Alexander Ebert of Edward Sharpe & The Magnetic Zeros, The Flaming Lips, Lady Antebellum, Cyndi Lauper, John Legend, Panic! At the Disco, Plain White T's, They Might Be Giants and T.I., and songs by David Bowie, Tom Kenny and Andy Paley. Additional lyrics are by Jonathan Coulton, with additional music by Tom Kitt. The musical production was conceived by Tina Landau.

"Effervescent candy for the spirit!"

New York Magazine

Premiere Production:

Since its launch on July 17, 1999, SpongeBob SquarePants has reigned as the number one kids' animated series on TV for the last 17 years, while generating a universe of beloved characters, pop culture catchphrases and memes, theatrical releases, consumer products, a Tony award-winning Broadway musical and a global fan base. Sponge-Bob SquarePants is the most widely distributed property in Viacom International Media Networks history, seen in more than 170 countries, translated in 30+ languages, and averaging more than 140 million total viewers every quarter.

SPANGEBOR MUSICAL

SpongeBob SquarePants is created by Stephen Hillenburg and produced by Nickelodeon in Burbank, Calif. The character-driven cartoon chronicles the nautical and sometimes nonsensical adventures of SpongeBob, an incurably optimist and earnest sea sponge, and his undersea friends. The Broadway production of The SpongeBob Musical earned its place on 2017's "Best of Broadway" lists including Broadway.com, BuzzFeed, The Chicago Tribune, The Daily Beast, Deadline, ET Online, Forbes, Time Out New York and Variety. The SpongeBob Musical was named Best Musical by the Drama Desk Awards and Outer Critics Circle and earned 12 Tony Award nominations – the most nominated musical of the 2017-2018 theatre season – winning for Best Scenic Design of a Musical (David Zinn).

Dr. Mike Lasley

(Music Director) is overjoyed to be working with Weaver's talented faculty and students. Mike has a bachelor's, master's, and doctorate in music from UNCG and teaches at NCA&T State University. He currently serves as Vice President on the HPCT Board of Directors. Mike has music directed over 40 productions in the Triad in the past 12 years. Favorite roles on the stage include Sylvia (Ruthless!), Shrek (Shrek), Lawrence Jameson (Dirty Rotten Scoundrels), Bud (Bridges of Madison County), and the star of his middle school play, Wilmer (School for Nerds).

Caroline Patterson

is a proud graduate of Weaver Academy and is thrilled to be back to help choreograph Sponge-Bob! A previous member of the Artistic Motion Ballet Company, she has been teaching at Dance Expressions and her own company, Starlight Performance, as well as choreographing for HPCT, CTG, and other companies across the triad for 9 years. Recent choreo credits include Little Shop of Horrors, Shrek the Musical, Wizard of Oz, Footloose, Mary Poppins, 13 the musical, and many others.

We are SO proud of you, Abigail! Congratulations on your first Weaver show! We love you the most!

We are the nation's only breast cancer charity focused exclusively on supporting research to identify a new and innovative biological test to detect breast cancer far earlier than is now possible. Since most breast cancer is in the body five to eight years before it can be detected through current methods, there is a window of opportunity for a test that would offer earlier detection, thereby changing the picture of breast cancer.

THE DEPARTMENT OF THEATER + DANCE

Please join us for our production of **Silent Sky** by Lauren Gunderson

April 20-22 at 7:30pm Hayworth Fine Arts Center High Point University

The true story of 19th-century astronomer Henrietta Leavitt explores a woman's place in society during a time of immense scientific discoveries, when women's ideas were dismissed until men claimed credit for them. Social progress, like scientific progress, can be hard to see when one is trapped among earthly complications; Henrietta Leavitt and her female peers believe in both, and their dedication changed the way we understand the heavens and Earth.

High Point University offers BA degrees in Dance, Performance Theater, Technical Theater, and Collaborative Theater and minors in Dance, Musical Theater, and Theater. Our small class sizes, faculty mentorship, and active production schedule provide students with experiential learning and professional and life skills.

HENRY'S CIRCLE

\$300 - \$500

Donations in memory of or honoring those who love theatre.

In memory of Henry Clifton Norris, Jr, loving father, grandfather and friend whose love of storytelling and theatre was bigger than life. He believed art is not what you see, but what you make others see. He was an artist. He felt everything... and it was OK.
