(our favorite Actor)! From your beginnings with the “Itty Bittys” to now in your senior year at Weaver, we could not be more proud of how far you have come. We are so excited to see you back on the stage doing what you were born to do.

We love you! Mom, Dad,

KARA BOYER LIM

— VOICE STUDIO —

HELP YOUR ASPIRING STAR BOOK THE PART!

Fresh from over a decade of teaching in New York City, Kara Boyer Lim is now opening a voice studio in Greensboro, NC. She teaches all ages and experience levels, including students in today's production at Weaver Academy. She has students on Broadway, off-Broadway, and in national tours. She also works with students in college musical theater programs, high school theater, church choirs, and those who want to sing for fun!

"Kara's technical work not only gave me the vocal musicianship I needed for college auditions, but the acting specificity and confidence to walk into any audition room. I would not be where I am today without her!"

Emma Chase

(NYU Tisch School of the Arts '21)

"Kara has an uncanny ability to communicate vocal technique in an understandable way. She is my go to coach before auditions for everything."

Brandon Ellis

(Broadway actor - *Once, Company, and Bandstand*)

"Without Kara I never would have achieved my goal of being on Broadway....but after a few years of working with Kara, I was making my Broadway debut singing in principal roles. She helped me develop my voice and my confidence."

Claire Camp

(Broadway actor - *Frozen, Cats, Joseph and the Amazing Technicolor Dreamcoat*)
